Located at New Life Church in Temecula

At Adina's Etiquette your child will learn how to be the very best they can be. They will learn the value of having good manners and a positive self-image. During this course the younger students are going to be introduced to Mandy's & Danny's Manners program. Mandy and Danny are in the 3rd grade and they are also going to etiquette school. They want to share with everyone what they are learning through weekly letters.

In the Manners program the girls and boys will learn what the words; manners, etiquette, polite, kind, character, tactful, the Golden Rule, considerate, courteous, and respectful mean. And last but not least they will learn how to be true to themselves.

The students will get many chances to use what they are learning through games and activities. On the last class of Etiquette III, the students will host their own party to demonstrate what they have learned.

There are 3 Etiquette Programs: Etiquette I, Etiquette II, and Etiquette III
Each Program is for 4 weeks. Tuition is \$55.00 for each Program.
